

## Offer #502091

	Produto	Preço unitário
 A photograph of an industrial control unit, likely a temperature controller for oil. The unit is a large, grey metal cabinet with various components, including a control panel with a digital display and several buttons. The unit is mounted on a metal frame, and there are other industrial components visible in the background, such as pipes and electrical conduits. The unit is labeled with 'Robamat' and 'ZU2201'.	<p><b>Robamat Thermocast 5212</b> <b>unidade de controlo da</b> <b>temperatura do óleo</b> <b>ZU2201, utilizado</b></p> <p>Número de produto: ZU2291</p>	<p><b>1,00 €</b></p>
